**RACIAL JUSTICE SUNDAY 2026** *Below are thoughts from the Bishops' Conference* Promoting Racial Justice in our Parishes is the theme for Racial Justice Sunday 2026. Where racial justice is concerned, we must never tire of repeating what has been said before, though we always seek new ways to convey the message. Racial Justice Sunday this year is devoted to the promotion of racial justice in our Catholic parishes across England and Wales and society. It seeks to foster an awareness of the need for justice in all its forms. In an increasingly tense climate, it is imperative that we listen to, and learn from, the experiences, challenges and opportunities encountered in the mission of promoting racial justice in Catholic parishes today. Our parishes should be places where we can all truly grow in ever deeper knowledge and love of each other, ourselves and God. We should create a culture of welcome and hospitality in our parishes, encourage inclusive approaches to parish ministry, and foster greater openness to acceptance while learning from other cultures and traditions. Questions to support parish reflection and action in promoting racial justice.

1. How does the line "Whoever loves God must also love his brother/sister" resonate with your own experiences or aspirations for racial justice in our parish?
  - a. In what ways can our faith guide us in promoting racial justice in our parish?
  - b. How does our parish ensure that all members feel included and involved in the life of the Church? Can you give examples?
  - c. What would you say are the main challenges and opportunities for promoting racial justice in our parish?
2. How has the understanding of racial justice changed in our parish over time? Have there been changes in how you think about it?

**SAFEGUARDING** The safeguarding of children, young people and vulnerable adults is at the heart of the Church's mission. There is no place in the Church, or indeed society, for abuse, a grievous crime which can affect people for their entire lives.

Parish Safeguarding Representatives (PSRs) are volunteers who provide assistance and support to their parish in Safeguarding matters. In our parish, they are Ann Chappell, Mary Stephenson and Cathy Staniforth. (email addresses next week)

The PSR's role is a very important one because it helps keep our parish communities safe from harm and abuse by creating safe environments where everyone flourishes. The PSR works in partnership with the Parish Priest, Parish Leaders, Volunteers and Diocesan Safeguarding Team to ensure everyone can participate in parish activities happily and safely, especially those considered vulnerable including children, young people, and adults at risk.

The 4 main areas of a PSR's work involve:

Reporting and Responding to all Safeguarding concerns  
Safe Recruitment of volunteers (including DBS applications)  
Sustaining a safe environment in your parish  
Promote a Culture of Safeguarding in parishes
